

COMPANY PROFILE

Faunt Imaging Solutions, LLC is a minority-owned small business. The primary goal is to offer service and maintenance on Office Equipment for DC government, Federal government, and Private firms. We offer valuable technical services to our clients to support their office network structure. We consider ourselves technically inclined and problem solvers. We have the expertise to handle the most challenging requirements, whether in terms of scope of services or special conditions.

We **Partner!** Performance; Accountability; Respect; Teamwork; Uniqueness and Unity; Excellence; Results!
